

HOME PHOTOGRAPHY SHOOT CHECK LIST

1. The photo-shoot should take approximately 1 to 2 hours. We will be photographing both the inside and outside of your home.
2. We will be photographing all of the rooms.
3. We normally do not photograph the garage unless it has special features.
4. If you have special features of your home that are not obvious please let me know about these so I include them in the shoot.
5. Clean all windows, both inside and outside.
6. Contain pets and pet items such as bowls, beds and toys in the garage or out of sight.
7. Remove all vehicles from driveways and do not park directly in front of the house.
8. Move garbage cans out of sight.
9. Remove all garden tools including hoses and sprinklers.
10. Mow and rake yard, trim all plants that block view of windows and doors.
11. Sweep driveways, sidewalks and patios. Set up patio furniture for the photo shoot.
12. Clear off counter tops in kitchen and bathroom areas. Remove toilet bowl brushes and plungers from bathrooms. Remove all rugs from bathrooms. Clear out all bottles and bathing accessories from tubs and showers.
13. Remove photos, notes, magnets and papers from the refrigerator.
14. Turn on all interior lights and lamps.
15. De-clutter rooms which may be excessively furnished. They do not photograph well. Remove all family photos
16. Make all beds and tidy bedrooms. Clothes hung, or folded and put away. Do not stuff items under beds as they might show up in photos.
17. Remove piles of newspaper and magazines from counters tables and desks.
18. Tuck trash cans and waste baskets out of view in a closet or cupboard.
19. Replace all burned out light bulbs.
20. Let us know if your home contains valuable works of art. We can edit photos to make these items unrecognizable or make sure they are not in the photographs.
